

BIDDING REQUIREMENTS

Purchases of and contracts for supplies, equipment, and professional services shall be based on competitive bids or proposals unless there are extenuating circumstances, such as the need to sole source a part to fit with an existing proprietary system. Orders or contracts based on bids shall be awarded to the lowest responsible qualified bidder, taking into consideration the quality of the items or services to be supplied, taking into consideration the quality of the items or services to be supplied, their conformity with specifications, their suitability to the requirements of the School District, and the delivery terms or completion dates.
