MARRIED STUDENTS – PREGNANT STUDENTS

Married students have the same educational opportunities in this school system as unmarried students.

Furthermore, the Board's responsibility for all school-age children includes the pregnant teenager, married or unmarried. These girls shall be allowed to remain in school, and services for them shall be made a regular part of the school system. Any variation from their continuing in regular school classes shall be based upon their assessed needs.

A pregnant girl may remain in her regular school program as long as her physical and emotional condition permits. The girl's husband (or parents or guardians if she is unmarried) and physician should be consulted in developing the education plan to fit her needs.
